SRI GURU NANAK PUBLIC SCHOOL, ADARSH NAGAR, DELHI-110033

Cir. No.73/De-Worming/2017-18 **05-02-2018**

Subject:- National Mass Deworming Programme scheduled on 08-02-18

Dear Parent,

As you are aware that children of age 3 to 19 mostly suffer from worms present in the stomach leading to diseases like malnutrition and anemia etc. Our school is a part of National Mass Deworming Programme scheduled on National Deworming Day i.e. on 8th February 2018 (Thursday). All school students will be given a single dose of Chewable Tablet Albendazole 400mg. supplied by World Health Organization (W.H.O.) to eliminate worms, if any in the stomach. The medicine is safe and free of cost. You are requested to give your consent.
