

SRI GURU NANAK NURSERY ACADEMY

Adarsh Nagar, Delhi-33
FOR K.G. CLASS ONLY

Cir No.2/Fee/2024-25

Dated:- 23-03-2024

The School Management Committee has reviewed the fee structure in the light of the **increased expenditure on staff establishment, twice-a-year increase in Dearness Allowance and escalation in the cost of lab equipment, books, sports equipment and almost all other items required in the school.** However, it is to be noticed that our school fees have been the minimum possible considering the school programmes and facilities we offer to our students.

The members of the Managing Committee & Representative of PTA felt that keeping in view the factors stated above and despite exercise of the utmost economy there was need to improve the resources by way of increase in fees. Keeping in mind, the problems of the parents and their financial capabilities it has been decided to increase the **Tuition fees within the limit of 10% of the existing fees and Development Charges of 10% of the Total Annual Tuition Fee Payable** for the year 2024-25. **Annual Charges** have been increased by **Rs. 200/- per annum only.** It will support us to pay the due salaries to the teachers, to supplement the resources for purchase, up-gradation and replacement of furniture, fixtures and educational equipments to maintain a standard quality of education which is being imparted in the school. We hope that you will appreciate the tremendous financial constraints under which we function in the school. **We sincerely appreciate your co-operation extended to us in the past and we whole-heartedly expect the same in future also.**
